

**GGLN Regional Learning Event:  
HIV/AIDS, Local Government and Human Settlements Planning**

For the purpose of the event, could you kindly respond to the following questions?

1. What does HIV/AIDS mean for your organisation? Does it have direct relevance to the work that you do?

---

---

---

---

2. To what extent do you encounter the implications of HIV/AIDS in your day to day work with local government and/or local communities?

---

---

---

---

3. Does your organisation take HIV/AIDS into account and if so, how? (For example, do you have a specific programme on HIV/AIDS? Is your organisational planning informed by the HIV/AIDS context?)

---

---

---

---

4. Do you think that the GGLN, as a collective, has a role to play in relation to HIV/AIDS and local governance? If yes, what do you think this role could or should be (For example research, advocacy, training)? If you do not believe that there is any role for the GGLN to play, please state your reasons for saying so.
